

# A 21st Century Record Keeping Revolution for Montessori Education

Record keeping software designed specifically for Montessori educators teaching at all levels.

<p><b>How is computerized record keeping different?</b></p> <ul style="list-style-type: none"> <li>&gt; Faster record keeping, more free time</li> <li>&gt; More accurate record keeping</li> <li>&gt; Consolidates records in one place</li> <li>&gt; Improves communication with parents</li> <li>&gt; Access records at school, home or anywhere you have an Internet connection</li> </ul>	<p><b>How will MRX help me as a teacher?</b></p> <ul style="list-style-type: none"> <li>&gt; Track attendance</li> <li>&gt; Track progress</li> <li>&gt; Track communications with parents</li> <li>&gt; Record anecdotal notes or observations for each student</li> <li>&gt; Plan lessons</li> <li>&gt; Define my own works / lessons</li> <li>&gt; Design my own progress reports</li> <li>&gt; E-mail reports to parents</li> <li>&gt; Many other features</li> </ul>	<p><b>What are teachers saying about MRX?</b></p> <p>"Parent reports that use to take up to an hour to prepare are now ready almost instantly! Even more important, before MRX I did not have very complete records for my students."</p> <p>"It's so much easier to keep track of work the children have done and need to do. I feel more on top of things."</p>
<p><b>What is included with MRX?</b></p> <ul style="list-style-type: none"> <li>&gt; Assistance with initial setup</li> <li>&gt; Training</li> <li>&gt; Upgrades</li> <li>&gt; Support</li> <li>&gt; Backups</li> <li>&gt; Online demonstrations available 24 hours a day.</li> <li>&gt; The total cost is \$167.40, paid once a year per classroom. That's only \$13.95 per month for as many students and staff members in each classroom.</li> </ul>	<p><b>How will MRX help administrators?</b></p> <ul style="list-style-type: none"> <li>&gt; View all records in any classroom</li> <li>&gt; Take attendance from the office</li> <li>&gt; E-mail any staff or parent</li> <li>&gt; Assign staff to classrooms</li> <li>&gt; Assign students to classrooms</li> <li>&gt; View school and class demographics</li> <li>&gt; Generate mailing labels for staff and parents</li> <li>&gt; Track staff personnel goals</li> </ul>	<p>"One of the best features of MRX is that you can customize it for you."</p> <p>"Dave has been extremely patient and helpful in answering all my questions. He has been very supportive. I know that just because he has sold me something that he hasn't forgotten about my satisfaction with his product."</p>
